

Help for Haiti

Please assemble the kits exactly as described. They can be left at the Church on any Sunday morning in February and March.

Hygiene Kits

In the face of natural disasters, violence, or grinding poverty, Hygiene Kits can mean the difference between sickness and health for struggling families.

To assemble a Hygiene Kit you will need:

- One hand towel measuring approximately 16" x 28" (no fingertip or bath towels)
- One washcloth
- One wide-tooth comb
- One nail clipper
- One bar of soap (bath size in wrapper)
- One toothbrush (in original packaging)
- Six Band-Aids®

Please do not add toothpaste to the Hygiene Kit. Toothpaste that has an extended expiration date will be added to Hygiene Kit shipments just prior to shipment. Seal all items in a one-gallon plastic bag with a zipper closure.

Baby Kits

In areas of extreme poverty or following a natural disaster, Baby Kits help young mothers care for their newborn babies.

To assemble a Baby Kit you will need:

- Six cloth diapers
- Two T-shirts or undershirts (no onesies)
- Two washcloths
- Two gowns or sleepers
- Two diaper pins
- One sweater or sweatshirt
- Two receiving blankets (one can be a hand-knitted or crocheted baby blanket)

All items should be new. Wrap items inside one of the receiving blankets and secure with both diaper pins
