

## The Church Sanctuary

The Sanctuary of The Church of the Pilgrimage is one of the most desirable performance spaces in Southeastern Massachusetts. The acoustics are superb, the lighting is fully configurable, and there is a complete sound system in place.

There is a Steinway grand piano and a three manual, 33 register, 2,164 pipe organ, the console of which can be moved to various locations on the platform at the front of the Sanctuary.

The platform can be configured in various ways to suit a variety of performance needs. The Church has hosted choral, orchestral, chamber and other musical groups, recitals, and solo performances.

The audience seating is in traditional, cushioned church pews, with a capacity of 300 on the main floor and 25 on the rear balcony.

With its traditional New England architecture, the Sanctuary is also an ideal location for weddings, memorial services, and formal meetings. The Sanctuary is handicapped-accessible via a wheelchair ramp on School Street.

## Allerton Hall

Allerton Hall is a large space with a small open stage at one end, with an available projection screen. It can be configured in a number of ways, from traditional audience seating on folding chairs, to table seating. All furniture is available, and set up is included in the rental fee. There is a large commercial kitchen at one end of the hall, that is available for use by Church members. Similarly, there is an adjacent child care room available. Special arrangements may be made for the use of these facilities. Please contact the Church Office for more information.

Allerton Hall is handicapped-accessible by way of a wheelchair ramp on Town Square. It has a capacity limit of 110.
